SUBJECT: Position and Contingency Papers Pursuant to NSAM 183

The enclosed papers reflect positions generally agreed to by your agencies in the preparation of position and contingency papers for the recent meeting of the UN Outer Space Committee. We would like to submit them for any comment you may wish to make at the meeting scheduled for Wednesday at 3:00 p.m., in my office. I would suggest that when possible, suggested changes or additions be prepared in writing, preferably in a form suitable for circulation at the meeting. We believe these papers provide the guidance for the UNGA on the particular points noted in NSAM 183.

U. Alexis Johnson
